Thank you for allowing Alex Air Apparatus to serve both you and your agency. Our company is working hard on expanding our services to the law enforcement profession. We are a family owned company based out of western Minnesota and our goal is to offer a personal and tailored approach to your agency's needs. I have been in the law enforcement profession since 2008 and served in many roles throughout my career with a west central sheriff's office. My goal is to bring my years of experience in the profession to offer the best supply services to agencies throughout the midwest.

TACTICAL ARMOR

COVERT ARMOR branded Tactical Products are designed to be completely scalable for the user to equip the "KIT" to the mission at hand. We have found that the training and needs of each agency while similar are still very unique therefore allowing us to build your "KIT" to your specifications not ours.

Containment Fill Stations

CFS55-3S

Our 5.5 series of containment SCBA/SCUBA fill stations were independently tested to the same rigorous standards and stringent test parameters dictated by NFPA 1901 that our CFSII series was, however in the testing of the 5.5 series Bauer utilized 110 cu. ft. 5500psi SCBA's in lieu of 88 cu. ft. 4500psi SCBA's.

- Complete with cylinder scuff guard, SCBA fill connection, fill hose, and bleed valve.
- Fill control panel.
- Mounting base.
- Bottom venting.
- Hands-free door interlock.
- Ergonomic loading height.
